

# STUDENT MOCK CLASS INITIATIVE

# BruinNext:

## Pathways and Possibilities

Interested in experiencing a live graduate school class in Business, Dentistry, Film, Law, Medicine, Nursing, or Public Policy? BruinX presents the **Student Mock Class Initiative: “BruinNext: Pathways and Possibilities”**. Our aim is to provide UCLA Juniors an opportunity to get a real sense of the graduate school experience by participating in a class in one of the foregoing areas. Participants will receive a short reading assignment that will serve as a basis for the class. All classes will be followed by a reception in which representatives from various graduate programs will be on hand to answer questions about the graduate school application process and share other relevant sources. But above all, your participation is key. We hope to see you there!
