

FREEDOM TO PROTEST & FREEDOM TO SPEAK:

THE CHALLENGES AND OPPORTUNITIES FOR UNIVERSITY GOVERNANCE

How precisely does UCLA balance the right of speakers to speak and protesters to protest?

Find out at this Spring's CrossCheck Live, where a panel of student moderators will press UCLA administrators about what we all can do to protect campus safety and student well-being while also promoting the robust exchange of ideas.

This event is open to the public with RSVP. Light snacks and refreshments will be provided.
